*about publication withdrawal*

**Mr.Vladimir Aleksandrovich!**

In 2018 the International Journal of Open Information Technologies ISSN (2307-8162 vol. 6, No. 5, 2018) published the article "Exploration of hidden research directions in the oil and gas industry using the analysis of OnePetro library", authors - F.V. Krasnov, O.S. Ushmaev.

Due to the fact that the publication of this article was not approved by Gazpromneft STC LLC, we kindly ask you to remove this publication and all the links to it from all open sources, including the Elibrary and Cyberleninka.

Yours sincerely,

CEO
